Objective

Looking for a Software Engineering internship for the summer of 2018 where I can hone my skills in front end development and UI/UX design

Education

Georgia Institute of Technology | *B.S. Computational Media*

Expected Graduation: May 2019

Threads: Media & Interaction Design and Experimental Media

Minor: Spanish

Major GPA: 3.2 / 4.0

Relevant Coursework

- Intro to Object Oriented Programming, Data Structures & Algorithms, Objects and Design, Media Devices Architecture

Barcelona Study Abroad

May 2017 - July 2017

Courses taken: Intro to Information Visualization, Educational Technology, Spanish, City Literacy

Honors and Awards

- Faculty Honors for the Summer of 2017 for achieving a 4.0 for the semester

Projects

Mooviz

June 2017 - July 2017

Class Project for Intro to Information Visualization

- <https://github.com/davidhle/Mooviz>
- A zoomable scatter plot visualizing movies' box office sales by genre throughout time
- Built with D3.js, jQuery, HTML, CSS, and Bootstrap
- Personal Contribution: Front end development

Scribble

June 2017 - July 2017

Class Project for Educational Technology

- <https://www.behance.net/gallery/56449107/Scribble>
- A learning tool to assist users to improve handwriting
- Researched and incorporated educational technology principles and learning approaches into design
- High fidelity mock ups created using Adobe XD

Work Experience

CareerBuilder | SiteDB Team & Cloud Operations Team

Software Engineering/Site Reliability Engineering Intern

- Participated in a SCRUM methodology daily using Jira and Confluence
- Resolved operational support issues for the SiteDB team's internal tools requiring full-stack solutions using Node.js and Angular.js
- Assisted in standing up a new continuous integration (CI) server using TeamCity, Jenkins and AWS products
- Migrated supported teams' builds from their respective CI servers to the newly created centralized server

Norcross, Georgia

January 2017 - April 2017

Skills

Programming Languages

- Java
- Javascript
- HTML
- CSS
- C
- JavaFX

Programs & Frameworks

- Adobe Experience Design
- Adobe Photoshop
- Adobe Illustrator
- Angular.js
- Node.js
- Balsamiq

Foreign Languages

- English: Fluent
- Spanish: Conversational
- Vietnamese: Basic

Miscellaneous

- Git: Proficient
- MVC:
- AWS Products (EC2, Cloud Formation, VPC, Lambda): Basic
- macOS
- Windows OS

Activities and Leadership

Vietnamese Student Association | Internal Vice President

August 2016 - May 2017

- Communicated with other student organizations on campus for participation for our Moon Festival
- Collaborated with the rest of the executive board to organize the club's annual Charity Dinner
- Sent emails to the general body and took minutes during board and general body meetings

FASET Orientation | Orientation Leader

March 2016 - August 2016

- Served as an ambassador for Georgia Tech to over 3,000 incoming students, parents, and guests
- Facilitated small group meetings for over 150 students and 60 parents and guests to address concerns about their students' transition from high school to college
- Advised over 100 students with course registration and academic success within their respective major
